OBJECTIVES:

Attendees will be able to....

- Appropriately respond to incidents of biological, chemical, nuclear or explosive terrorism.
- Describe the VA's role in response to Weapons of Mass Destruction (WMD) incidents.
- Recognize and manage emerging infectious diseases including smallpox and SARS.
- Describe the role of incident command in health care's response to WMD incidents.

CONTINUING EDUCATION FOR PHYSICIANS, NURSES, DENTAL PROFESSIONALS & EMS

This activity has been planned and implemented in accordance with Essential Areas and Policies of the Accreditation Council for Continuing Medical Education through the joint sponsorship of the Wayne State University School of Medicine and Region 2 South and Region 2 North Medical Bio-Defense Network. The Wayne State University School of Medicine is accredited by the ACCME to provide continuing medical education. The Wayne State University School of Medicine takes responsibility for the content, quality, and scientific integrity of this CME activity

The Wayne State University School of Medicine designates this educational activity for a maximum of 6.5 hours in category 1 credit towards the AMA Physician's Recognition Award. Each physician should claim only those hours of credit that he/she actually spent in the educational activity.

CMEs are acceptable for license renewal for RNs and LPNs in the State of Michigan.

Dental Health Professionals - 5 hours of CDE credit.

EMS –Pending 6 credits as follows: 3 EMS Operations, 2 Disaster Planning, and 1 Communicable Disease.
